**BILL OF SALE AND ASSIGNMENT AND ASSUMPTION AGREEMENT  
AMERICAN RAILCAR LEASING LLC**

BILL OF SALE AND ASSIGNMENT AND ASSUMPTION AGREEMENT (the "Agreement") dated as of October 2, 2009, between AMERICAN RAILCAR LEASING LLC, a Delaware limited liability company ("Seller"), and ARL II FUNDING LLC, a Delaware limited liability company ("Buyer").

WHEREAS, Buyer and Seller desire to enter into this Agreement, in connection with the sale of, among other things, the Railcars (as defined below) and the Equipment Leases (as defined below), from Seller to Buyer; and

WHEREAS, the parties also desire to carry out the intent and purpose of the sale of the Railcars by, among other things, the parties' execution and delivery of this instrument evidencing the sale by Seller of all of its rights, title and interest in and to the Railcars and Equipment Leases to Buyer and the assumption by Buyer of all of Seller's obligations under the Equipment Leases.

NOW, THEREFORE, in consideration of the premises and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Sale and Assignment. (a) Seller, for good and valuable consideration, the receipt of which is hereby acknowledged, effective as of the date hereof, does hereby sell, grant, bargain, convey, assign, transfer, deliver and set over to Buyer absolutely and forever, all of Seller's right, title and interest in and to (i) the railcars described on Schedule 1 hereto and made a part hereof, together with all appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment of whatever nature appertaining or attached thereto (collectively, the "Railcars"), (ii) all leases or other contracts entitling another party to use any of the Railcars, as more specifically described on Schedule 1 and including, without limitation, all extensions, renewals, supplements and modifications of any of the foregoing (collectively, the "Equipment Leases"), (iii) all security deposits or other assets or agreements provided by the applicable lessee to secure the performance of its obligations with respect to its Equipment Lease, (iv) all documentation, books and records related to the Railcars and Equipment Leases, (v) all rights to enforce manufacturer's warranties, with respect to the Railcars and Equipment Leases, (vi) all identification marks attached to the Railcars, (vii) all payments due and to become due with respect to any of the foregoing, whether as contractual obligations, damages, casualty payments, railroad mileage credits, rents, insurance proceeds or otherwise, and (viii) all income, profits and proceeds from any of the foregoing (the assets described in the foregoing clauses (i) through (viii) are collectively referred to herein as the "Railcar Assets")

(b) After giving effect to the conveyance of the Railcar Assets effected hereby, the ownership of, and Seller's interest in, the Railcar Assets shall be fully vested in Buyer. Seller agrees (i) to take no action inconsistent with the ownership by Buyer of the Railcar Assets and (ii) to claim no ownership interest or security interest in the Railcar Assets. Seller acknowledges that Buyer will be assigning its rights in the Railcar Assets to a third party lender as security for

Buyer's obligations, and Seller agrees to take no action inconsistent with the ownership by Buyer's assigns or any security interest granted by Buyer in the Railcar Assets.

(c) Seller shall deliver or cause to be delivered on or before the date hereof the one and only original of each Equipment Lease and a copy of the files related to the Railcar Assets to, or at the direction of, Buyer.

2. Warranties of Seller. Seller hereby represents and warrants to Buyer and its successors and assigns, with knowledge that Buyer is relying on such representations and warranties in undertaking its financing of the Railcar Assets, that:

(a) on the date hereof, Seller has, and at the time of delivery of the Railcar Assets, Seller will have, good and marketable, legal and beneficial title to the Railcar Assets and good and lawful right to sell the Railcar Assets and at the time of delivery, the Railcar Assets will be free and clear of all liens, mortgages, deeds of trust, pledges, claims, equity interests, participation agreements, security interests or other charges or encumbrances of any kind, any interest of a vendor or a lessor under a conditional sale agreement, capital lease or title retention agreement (all or any of the foregoing, "Liens"), except the Liens being released contemporaneously with such delivery and transfer or Permitted Liens (as defined below). Seller hereby covenants to defend title to the Railcars against demands of all persons or entities whomever based on claims originating prior to the delivery of the items of Railcar Assets. For purposes of this Agreement, "Permitted Liens" means (i) Liens for taxes, assessments or governmental charges or levies which are not yet assessed or, if assessed, not yet due or contested in good faith by appropriate proceedings (and for which, if related to taxes, assessments or governmental charges or levies due from another person, such other person is providing adequate indemnification), so long as such proceedings do not involve any imminent danger of sale, forfeiture or loss of Railcars or any interest therein, (ii) mechanics', materialmen's, suppliers', warehousemen's, operation of law in the ordinary course of business for which payment is not overdue or the payment of which is being contested in good faith by appropriate proceedings (and for which, if related to amounts due from another person, such other person is providing adequate indemnification), so long as such proceedings do not involve any imminent danger of sale, forfeiture or loss, of such Railcar or any interest therein, (iii) Liens arising out of judgments or awards against Seller that are being contested in good faith by appropriate proceedings and with respect to which there shall have been secured a stay of execution pending such appeal or proceeding for review, so long as such proceedings, in the reasonable judgment of Buyer and its lenders, do not involve any danger of sale, forfeiture or loss of such Railcar or any interest therein, and (iv) the rights of the applicable Equipment Lessee under the Equipment Lease with respect to a Railcar, including the rights of any sublessee of an Equipment Lessee to the extent such sublease was entered into in accordance with such Equipment Lease

(b) All information regarding the Railcar Assets set forth on Schedule 1 is true and correct

(c) As to each Equipment Lease set forth on Schedule 1. (i) (A) such Equipment Lease evidences an enforceable payment obligation of the applicable Equipment Lessee and (B) is not subject to any known defenses, disputes, offsets, counterclaims or rights of return or

cancellation, (ii) each Equipment Lease has been documented on forms approved by Buyer and its lenders, in accordance with Seller's credit and collection policies and all applicable laws, and (iii) the original Equipment Lease delivered to or on behalf of Buyer constitutes the one and only original of such Equipment Lease.

3. Master Leases. For the avoidance of doubt, if any Equipment Lease is in the form of a master lease (a) all existing Railcars that are the subject of one schedule or rider to such master lease shall be included on Schedule 1 and conveyed together by this Agreement and (b) payment and other obligations arising under such master lease shall be subject to this Agreement only to the extent they relate to Railcars and riders conveyed hereby, and (c) the term Equipment Lease shall be deemed to include the master lease only insofar as it applies to Railcars and riders that are the subject of this Agreement and can be separately enforced as such, without adverse affect on Buyer or its assigns.

4. Buyer Assumption. Except as otherwise provided herein, effective as of the date hereof, Buyer accepts, assumes, takes over and succeeds to all of Seller's rights, title and interest as of such date in and to the Equipment Leases, subject to the rights of lessees under the Equipment Leases, and Buyer hereby covenants and agrees to discharge, perform and comply with, and to be bound by, all the terms, conditions, provisions, obligations, covenants and duties of Seller under the Equipment Leases (but only to the extent it relates to the period from and after the date hereof), as if Buyer were an original party thereto

5. Seller Indemnity. Seller shall, for the benefit of Buyer and its assigns, defend forever Buyer's title to the Railcar and Equipment Leases against all demands, liens or claims of all persons (including, without limitation, the holders of any Permitted Liens) based on claims arising as a result of, or related or attributable to (a) acts, events, circumstances occurring prior to the delivery of such Railcars and the assignment of such Equipment Leases by Seller to Buyer hereunder, (b) breach of any of the warranties of Seller under this Agreement; or (c) railcars not assigned to Buyer pursuant to this Agreement, but which are subject to the same master lease agreement as any of the Railcars ("Excluded Railcars"), including any breach by Seller of its obligations or with respect to such Excluded Railcars under such master lease agreements.

6. Further Assurances (a) Seller hereby covenants and agrees that, at any time and from time to time after the date hereof, at the request of Buyer or its assigns, Seller shall, at its expense, promptly and duly execute and deliver, or cause to be executed and delivered, to Buyer all such further instruments and take all such further action as may be reasonably requested by Buyer or its assigns to more effectively sell, transfer, assign, convey, grant and set over the Railcar Assets to Buyer. Seller hereby authorizes Buyer to file UCC financing statements and such other filings with governmental authorities as are reasonably necessary or desirable to evidence the assignments effected hereby (including any assignments of such filings to Buyer's lenders)

(b) Buyer hereby covenants and agrees that, at the request and expense of Seller, it shall hereafter execute any further assumptions or instruments of transfer or conveyance as may be reasonably requested by Seller to assume the Equipment Leases or to release Seller and its affiliates from their obligations under or on account of the Equipment Leases so long as such release will not prejudice Buyer's rights, title and interest in and to the Equipment Leases

7. Successors and Assigns; Third Party Beneficiary. This Agreement shall be binding upon Buyer and Seller and their respective successors and assigns, for the use and purposes set forth and referred to herein, effective as of the date hereof. Seller understands that Buyer is granting a security interest in the Railcar Assets and this Agreement to its lenders and acknowledges and agrees that Buyer's lenders are intended to constitute, and do constitute, express third beneficiaries of this Agreement, including all warranties and indemnities given by Seller hereunder, and that this Agreement cannot be amended without the consent of such lenders so long as such security interests remain in effect.

THE BILL OF SALE CONTAINED IN THIS AGREEMENT IS DELIVERED BY SELLER TO BUYER IN ST. CHARLES, MISSOURI.

9. Venue: Submission to Jurisdiction; Waiver of Jury Trial. (b) TO THE EXTENT PERMITTED BY APPLICABLE LAW, BUYER AND SELLER SHALL NOT SEEK AND HEREBY WAIVE THE RIGHT TO ANY REVIEW OF THE JUDGMENT OF ANY SUCH COURT BY ANY COURT OF ANY OTHER JURISDICTION, WHICH MAY BE CALLED UPON TO GRANT AN ENFORCEMENT OF SUCH JUDGMENT.
